Dear Mr. Mike Davis,

Re: West & East Portion of 1609 Richmond Street, London ON  
 Your File No.: OZ – 7965

I acknowledge receipt of your letter, dated December 23, 2013. I am still awaiting a response to my letter of December 20<sup>th</sup>, 2013, which has gone unanswered.

In speaking with my neighbour to my direct West, Brandon Prust, he is very concerned as he has just spend a considerable amount of money to purchase an additional lot to expand his backyard and subsequently has installed a pool. The proposed buildings will essentially be able to look directly into his home and his backyard as the proposed buildings appear to be 3 storey walk ups.

My office has been retained by Mr. Prust and our intentions are to challenge any proposed zoning amendments, appeal any zoning amendments that are not in our favour to the Ontario Municipal Board and subsequently to the Divisional Court of Ontario.

You may use this letter as both my and Mr. Prust's intention to oppose any such zoning amendments regarding the above mentioned property.

Thank you.
