The 2026 agreement sets out the allocation of funding of \$3,611,747. All CSPT funding is transferred to the London Police Service for the delivery of the service.

This report introduces a by-law to authorize the Mayor and the City Clerk to execute the Transfer Payment Agreement and any future amending agreements between His Majesty the King in Right of Ontario as represented by the Solicitor General for the Province of Ontario and The Corporation of the City of London with respect to the Court Security and Prisoner Transportation Program (“CSPT”).

Linkage to the Corporate Strategic Plan

Accessing Court Security and Prisoner Transportation funding contributes to the Corporation’s 2023 – 2027 Strategic Plan under the “Well-Run City” strategic area of focus. Specifically, London’s finances are maintained in a transparent, sustainable, and well-planned manner, incorporating intergenerational equity, affordability and environmental, social, and governance considerations.

Analysis

1.0 Background Information

1.1 Previous Reports Related to this Matter

2.0 Discussion and Considerations

2.1 Background

On October 3, 2008, the Government of Ontario, the Association of Municipalities of Ontario (AMO), and the City of Toronto announced the results of the Provincial-Municipal Fiscal and Service Delivery Review in a ceremony at Queens Park along with the release of a corresponding report entitled “Facing the Future Together.” One of the results of this review that impacts municipalities was the gradual upload of court security costs and prisoner transportation costs. The uploading of these costs began in 2012 and was phased in over the years up to a maximum of \$125 million province-wide. Since 2012, total funding of approximately \$35 million has been provided by the Province to the City of London. In London, these services are delivered by the London Police Service. The City of London’s involvement in this program is limited to being a conduit of funding between the Province and London Police Service.

The City has received the next agreement for a one-year term which sets out the allocation of funding of \$3,611,747 for 2026 under the CSPT Program. The Province requested receipt of all municipalities’ executed CSPT agreements by April 30, 2026.

As with previous agreements, Civic Administration proposed several changes to the Province to amend the agreement to more appropriately reflect the relationship between the Corporation of the City of London and the London Police Service, the organization responsible for the provision of these services. The agreement, as presented in Schedule 1 of the by-law, reflects the amended agreement which contains similar provisions as previous agreements signed. Unfortunately, Civic Administration continues to have some reservations with the agreement as it stands, however the Province has historically made it clear that they are unwilling to consider any further changes to their standard form agreement. Furthermore, should the municipality decide not to execute the agreement, funding of approximately \$3.611 million would be lost over the one-year term.

Civic Administration notes the following potential areas of concern:

a) Article A9.0 – Indemnity

This provision exposes the City to unlimited liability. The risk is mitigated through insurance, loss transfer and control measures.

b) Article A11.0 – Termination on Notice

This funding is being relied upon for budget purposes. If the agreement were to be terminated by the Province in accordance with this article, a budget shortfall would result.

3.0 Financial Impact/Considerations

3.1 Funding Allocation

The funding allocation for 2026 is \$3,611,747, which is a \$207,754 increase from the

previous year. Funding allocations are determined based on each respective municipality's proportion of the total CSPT costs province wide. This funding is included in the LPS budget to offset the costs of delivering these services.

Additionally, as identified in Article A11.1 – Termination on Notice, “the Province may terminate this Agreement at any time without liability, penalty, or costs upon giving at least 30 days’ Notice to the Recipient”. If this upload is terminated, the City would have to cover the shortfall of funding through other funding sources and/or a reduction in other program expenditures. Civic Administration believes the risk of this occurring is extremely low.

Conclusion

The City of London was allocated \$3,611,747 for a one-year period for the CSPT program. This report introduces a by-law to authorize the Mayor and the City Clerk to execute the Transfer Payment Agreement and any future amending agreements between the His Majesty the King in Right of Ontario as represented by the Solicitor General and The Corporation of the City of London with respect to the CSPT Program.
