**Subject: For-Profit Addiction Treatment.**

I would like to voice my support for a review of Med Point pharmacies and their practices. As someone who lives downtown I have seen the problem not solved, but simply transferred from Citi-Plaza to Dundas Street. I have witnessed more than a dozen people gathered around the Med Point facility across from the Central Library blasting music and trading pills. I have seen people staggering on the sidewalk and even passed out. This is a business district, a shopping district. This behaviour is impacting both and reinforcing the perception that the downtown is dangerous. This is directly linked to Med Point and it must be addressed.

Please add this submission to the 6th Meeting of the Strategic Priorities and Policy Committee Item 4.6 - Councillor D. Ferreira - Advocacy Request- For-Profit Addiction Treatment in Ontario.

Sincerely,

Mike Fitzgerald
