Subject: [EXTERNAL] 6th Meeting of the Strategic Priorities and Policy Committee

I Truth Dunlop give my consent for my communication to be added to the 6th Meeting of the Strategic Priorities and Policy Committee.

I support item 4.6 - D. Ferreira - Adcocacy Request — For-Profit Addiction Treatment in Ontario.

Ontario needs a fully integrated health care model that is Not-For-Profit that helps stabilize individuals and recover from addiction.

Regards,

Truth Dunlop
