**Subject:** [EXTERNAL] Fwd: Councillor Ferreira: Open drug use and a path to healing

Please add my submission to the 6th Meeting of the Strategic Priorities and Policy Committee  
Item 4.6 – Councillor D. Ferreira – Advocacy Request – For-Profit Addiction Treatment in  
Ontario.

To all Members of the Committee,

I fully support Councillor D. Ferreira on his well-thought-out proposal. I too am concerned with  
the for-profit model and the lack of long-term supports. If implemented, his proposal will  
positively impact London for many years to come.

Thank you,

Jill Jacobson
