We note with regret that Ms. Curtis-Norcross is unable to complete the term of her appointment as the representative of the Urban League of London to T.F.A.C. due to work commitments. We know that she has been a valuable member of the advisory committee, and that she has been effective in representing the interests of neighbourhoods in the important work the committee does.

We would like to thank her for service to the city and its citizens.

We are happy to report that we have identified a capable and willing replacement for Ms. Curtis-Norcross as the League's representative on T.F.A.C.

We would ask that the records of appointment to T.F.A.C. be amended to recognize **Mr. Chris Haindl** as the League's representative to T.F.A.C. for the remainder of the current term of office. You will find Mr. Haindl is thoughtful and well-informed on the issues.

Thank you all for the important work you do.

With best regards,

Greg Thompson,
President of the League
