

## PUBLIC PARTICIPATION MEETING COMMENTS

21. Property located at 3100 Colonel Talbot Road (39T-13504/Z-8243)
  - Roger Gardiner, 163 Regent Street – advising that he is speaking on behalf of a friend who owns property in the area, which is why he is very strongly interested in what is proposed here; indicating that, if he understands properly, the developers acted against a statement from the city stating that they wanted further action on rezoning or they were unlikely to rezone this area; indicating that, it seems to him, that if that was not a criminal act, given the way it was done and when it was done, was an act against public interest; and, indicating that, on the basis of what he has read, that this was an act that was done against public interest.
