

Committee: **Cycling Advisory Committee - member-at-large**

Organization/Sector represented: **Public, cycling community**

Name: **Christa Engelmeyer**

Address:

**17 Willingdon Ave.  
London, ON  
N6A3Y5**

Occupation: **Program Officer, Canadian Food Inspection Agency**

Work experience: **I have worked for the federal government for over 14 years in various positions, supervising staff, mentoring and coaching food inspectors for the Canadian Food Inspection Agency, as well as in research for Agriculture and Agri Food Canada. I have worked overseas in Germany, on-farm training, Australia, on-farm training and as an agronomist in Zambia for the German government.**

Education: **BSc in plant science, University of Kassel, Germany MSc, in plant science, University of Manitoba**

Skills: **I have learned to negotiate, work in a team as a productive member. My initiative helps me to complete tasks on hand and to focus on priorities.**

Interest reason: **London has a lot of potential to expand cycling in the future and make it an attractive mode of transportation during the milder months of the year for many residents.**

Contributions: **I enjoy bicycling to work and also during my holidays and in my spare time. I have biked mainly in Germany, Belgium, Holland and in Canada in London and in the Niagara Region in Ontario.**

Past contributions: **I have been an active contributor to the following focus groups and organizations: Member of the Covent Garden Market Farmers' Market Agriculture Advisory Board, City of London, 1998-1999 Thames Valley School Board, St. George's Public School, London, Home and School Association, 1997-2005 City of London, Old North Traffic Calming Focus Group, 2009-2010 City of London, Community Engagement Task Force, 2011-2013**

Interpersonal: **My work life and volunteer activities. Please see above.**

Interview interest: **Yes**
