

Committee: **Greater London International Airport Authority**

Organization/Sector represented:

Name: **Wayne Dunn**

Address:

**78 Chestnut Crt.  
London, Ont.  
N6K4J5**

Occupation: **Business owner**

Work experience: **Co-owner of County Heritage Forest Products Ltd for over 30 years, manage complete operation including sales, HR, AR, AP, purchasing, marketing, finance and charitable that includes 65 employees.**

Education: **BA in Economics from Western University 1980**

Skills: **35 years working with people and organizations of all types of industry and community, have worked and been on several Boards, over 25 years experience working with various levels of government, know the community...both business and non-profit.**

Interest reason: **I have always had an interest with the activities of the GLIAA, it would be somewhat different challenge than what I have been used to. I am interested in participating with the growth of the airport and I am confident that I could help in that process.**

Contributions: **I believe I can help assist through all levels of government and would be able to promote the GLIAA with the many relationships I have been able to develop within the City and surrounding area. My experience and expertise in sales, marketing, finance, human resources and governance would be an asset.**

Past contributions: **Have co-chaired or chaired several organizations including Chamber of Commerce, Business Cares Food Drive, Sunshine Golf Classic. I have been active on various other Boards including Western Senate, St Joes Foundation, Junior Achievement and the London Hunt Club.**

Interpersonal: **The experience of chairing several committees, being president of the LCC or LHC and more importantly participating as a committee member prior to leadership positions have enabled me to learn that listening skills are often more important than speaking. I respect and have acquired skills to know that it is the voice of many that makes an organization succeed.**

Interview interest: **Yes**
