

Committee: **London International Airport, Board of Directors**

Organization/Sector represented:

Name: **William Graham**

Address:

**1400 Sandy Sommerville Drive
London, ON. N6K 5R2**

Occupation: **semi retired businss man**

Work experience: **please see attached cv**

Education: **please see attached cv**

Skills: **extensive airline experience strategic planning and long term growth planning
strong communication skills business model/managment skills business budgeting and
audits**

Interest reason: **I have lived most of my life in London. I raised my family here and carried on business here. I would like to stay connected to the city and make use of the skills I have to give back some of what I London has given me over the years.**

Contributions: **I have 50 years of business experience including 13 years as a director in the airline industry. My exerience in strategic planning should be an asset as the airport continues to grow. I have chaired several committees and boards. I think I can provide a lot of good sound business advise when called upon.**

Past contributions: **I was a director and chair of the facilities committee on the Board of Directors for the Bank of Canada. I was a director and chair of the audit committee for Air Ontario/Air Jazz for 13 years. I was a director and Chairman of the Board of Habitat for Humanity for 5 years. A more detailed summary is attached**

Interpersonal: **As director and Chair of several boards and committees I worked with a lot of people from all walks of life. I had upwards of 50 employees at certain times in my busieness career. Most of my team stayed with me for 20 years or more. I always treated them like members of a team and we always worked together. All of my managment team came from within based on their skills and knowledge. The key strengths of my managment strategy was always -debate, discussion and then consensus of the managment team.**

Interview interest: **Yes**
