Attention: Chris Brekelmans

Dear Mr. Brekelmans,

**Re: Tender 14-08: 2014 Infrastructure Lifecycle Renewal Program
Contract 1 Simcoe Street and Henry Street**

The City of London has received the bid submitted by Bre-Ex Construction Inc. for tender T14-08: 2014 Infrastructure Lifecycle Renewal Program Contract No. 1 Simcoe Street and Henry Street. Upon review of this bid, it has been deemed that this bid be rejected on the following basis:

Section 9(b) of the Information to Tenderers states that "the Tenderer shall submit the Form of Tender issued by the Contract Administrator". In this case, Bre-Ex incorrectly submitted the form of tender (FT-1, FT-2) from T14-04.

Section 9(g) of the Information to Tenderers states that "the Tenderer shall not apply any conditions whatsoever to the Total Contract Price". The Form of Tender submitted by Bre-Ex identifies a project completion date of October 31, 2014 which is inconsistent with the official contract of 110 working days.

Bre-Ex has the opportunity to appeal this decision. Please refer to section 2.9 of the City of London Procurement of Goods and Services Policy for further details.

Please advise us by March 28th of your intention to move through the appeal process, otherwise we will be awarding the tender to the next low bid.

Regards,
