ALASDAIR ROSE - NORTH CENTRAL RD  
56-250 NORTH CENTRAL ROAD LONDON N6G 5AA - MW/12/14  
PLANNING AND ENVIRONMENTAL COMMITTEE

WE LIVE IN A RESIDENTIAL CONJUNCTION COMPLEX  
ACROSS FROM A BAR/PUB. IN <sup>2003</sup> 2004 WE HAD  
EXCESSIVE NOISE ALL SUMMER. POLICE AND  
BY-LAW OFFICERS WERE CALLED AT VARIOUS  
TIMES, WARNINGS WERE GIVEN BY BY-LAW  
OFFICERS. EXCESSIVE NOISE STILL CONTINUED.

FINALLY WE HAD A HEARING AT CITY HALL  
AS THE OWNER ASKED FOR A MINOR ADJUSTMENT,  
ENTERTAINMENT ON OUTSIDE PATIO

THE COMMITTEE WAS OF THE OPINION THAT  
THIS WAS NOT A MINOR ADJUSTMENT  
THE APPLICATION WAS REFUSED

OUR RESIDENTIAL AREA IS A GREAT PLACE  
TO LIVE, SUMMER TIME, WINDOWS OPEN AT NIGHT

SOME QUESTIONS ON YOUR PROPOSED PILOT  
PROGRAM REGULATIONS

- WHAT IS REASONABLE HOURS ON ENTERTAINMENT
- TELEVISION SCREENS, NO AUDIO, WOULD STILL  
CAUSE SECONDARY NOISE FROM CUSTOMERS  
DUE TO EXCITEMENT AND ENTHUSIASM OF SPORTS

THE CITY OF LONDON HAS GREAT ASSETS,  
HOSPITALS, UNIVERSITIES, COLLEGES,

THE MOST IMPORTANT ASSETS ARE THE  
CITIZENS OF LONDON WHO CHOOSE TO  
LIVE IN A QUIET RESIDENTIAL AREA

OUTSIDE ENTERTAINMENT ON PATIOS WOULD HAVE  
A NEGATIVE IMPACT IN OUR NEIGHBOURHOOD THANKS ALASDAIR ROSE
