FROM:	CATHARINE SAUNDERS CITY CLERK
SUBJECT	QUARTERLY REPORTING - COUNCIL MEMBERS' EXPENSE ACCOUNT

RECOMMENDATION

That, on the recommendation of the City Clerk, the Civic Administration BE DIRECTED to provide for the quarterly reporting of Council Members' expenses on the City of London's website; it being noted that an additional report and proposed by-law to revise the Council Members' Expense Account Policy, including the provision for quarterly reporting on the City of London's website will be brought forward at a future meeting.

PREVIOUS REPORTS PERTINENT TO THIS MATTER

March 25, 2014 - Amendment To Council Policy 28(2) Council Members' Expense Account

BACKGROUND

The above-noted previous report, brought forward various recommendations related to the Council Members' Expense Account policy, as requested by Council Members. The recommendations were referred back to the Civic Administration for further refinements and changes to provide more clarity and control with respect to allowable expenses.

The purpose of this report is to authorize the quarterly reporting of the Council Members' expenses during the time that the additional information is gathered related to proposed changes with respect to allowable expenses. This is consistent with the approval for the posting of the Mayor's expenses, approved under a separate report. When the report is available, it will be brought forward with the appropriate proposed by-law to enact all changes, including the quarterly reporting.
