Skills: **I have resided in Old North for over 20 years and I have been actively involved in neighbourhood initiatives to improve the community and the quality of life of its residents. I am also aware of the issues and the dynamics that exists between residents, students, educational institutions, business development and the City of London.**

Interest reason: **To improve an already great City into a better City for everyone.**

Contributions: **I understand the issues, I have been following the T&G Committee's work and I know that I can represent the community's interests fairly and intelligently. I am well spoken, organized, a business professional, well respected and will offer a thoughtful and collaborative viewpoint.**

Past contributions: **What past contributions have you made on a similar body or organization? I am presently one of the Directors with the London Neighbourhood Community Association, a not-for-profit corporation, without share capital, that seeks to enhance and protect London neighbourhoods from adverse elements that detract from the community of residential neighbourhoods and quality of life. Former Chair with the Canadian Cancer Society's Relay for Life (2006, 2011 & 2012) as well as Ride 'n Stride (2001).**

Interpersonal: **I am open to the ideas of others and sensitive to their values and feelings. I always try to see things from the other person's perspective and I am respectful of people's opinions. The following are comments regarding my possible position with the T&G Committee: "I have recommended that Paul Beechey another long-term resident from our community to replace me as I vacate this position since he has been following the committee's work and also has lived in this community for over 20 years and understands its issues well. He is well spoken, organized and is a business professional who would represent the community's interests fairly and intelligently." Dennis Pellarin "I thoroughly support his nomination of Paul Beechey as his replacement." Susan Bentley**
