Dear Chair and Members of the Strategic Priorities and Policy Committee:

I would like an opportunity to present a few ideas regarding improvements to our governance model and improvements to tracking approved projects and directions we make at City Council and at the Committee level. I will be recommending the governance structure task force be reconvened at the start of the next term and councillors be asked to also send their suggestions to the City Clerk so the Clerk can prepare a report for consideration by the next Council.

My presentation would not be longer than my assigned speaking time as per the Council procedural by-law. I ask you add this to the Strategic Priorities and Policy Committee agenda on July 28th, 2014.

Thank you.

Respectfully submitted,

p.p. Joe Swan
Councillor Ward 3
