Dear Councillor Brown:

Re: PricewaterhouseCoopers LLP (PwC) Audit Services

Thank you again to the City of London Audit Committee and London City Council for provision of the services of PricewaterhouseCoopers LLP (PwC) to the London Public Library (LPL) for the purposes of an audit of Library revenues. The recommendations were approved by the Library Board and we have begun implementation.

This correspondence is to request an update on the review and approval process for PwC audit services begun at Committee September 26th, 2013 and received by London City Council, October 22, 2013, to give consideration to the second round of requests, including the LPL submission.

This request as previously submitted, is to seek support for a review that the Library will be undertaking with the objective of updating of the Central Library to ensure that this 11 year old facility which has over 1,000,000 visits a year, meets current, emerging and future community needs.

We thank you in advance for your consideration of this request.

Sincerely,

Susanna Hubbard Krimmer
CEO & Chief Librarian, London Public Library
