Dear Sir:

My husband and I have lived in our house at 49 Wortley Road for 51 years. We have tried to keep it in good shape. We are proud of our house and we love the area. But, we do not feel that the whole district is a heritage area. Some of the houses and buildings in the area are heritage but we do not feel that our house is one of them. We can not understand why the whole area should be designated as Heritage. Also, some time in the future we will probably have to sell our house. We think that if the area is designated as Heritage we would have problems selling our house.

Also, what assurance do we have that if the area is designated as Heritage that the taxes will not go up substantially?

Therefore, we are **against** adding the Wortley Village - Old South Heritage District to the Official Plan and **against** the adoption of the Wortley Village - Old South Heritage Conservation District Plan.

Please notify us of the outcome of the request to amend the Official Plan. File 0 - 8118.

Yours truly,

William H. McAllister
May P. McAllister.
