**A PERSONAL MESSAGE FROM SUSAN TRUPPE, MP LONDON NORTH CENTRE
PARLIAMENTARY SECRETARY FOR STATUS OF WOMEN**

As the Member of Parliament for London North Centre and Parliamentary Secretary for Status of Women, I am delighted to extend warm greetings to London's new Municipal Council.

It is a privilege to serve in the public sector and I want to commend each one of you for letting your name stand as a candidate and to congratulate you on your victory. I especially want to congratulate and welcome our new City Councillors and I'm sure that the last few weeks have been both exciting and a little overwhelming.

London is a great city and I have been honoured to serve the constituents in my riding of London North Centre. Regardless of where your particular ward is located, I know that you all have the best interests of London at heart and I believe that as we all work together, London can become an even greater city.

Once again, congratulations to all of our City Councillors and to Mayor Matt Brown and I look forward to seeing you at the various events that we will attend together. I am also looking forward to working with you on behalf of the citizens of London as those opportunities present themselves.

Sincerely,

Susan Truppe, M.P.
London North Centre
