WHO WE ARE

emerging
leaders

who we are

Emerging Leaders is a nonprofit organization focused on the retention, development and engagement of emerging talent as a means to a more vibrant, inclusive and dynamic London community for the future.

who we are

our mission

Unleashing the talents and potential of Emerging Leaders. Unleashing London.

our vision

London's Emerging Leaders:
Talented ~ Engaged ~ Here

emerging
leaders

AREAS OF EFFORT

emerging
leaders

areas of effort

- To undertake organizational development initiatives that support both the sustainability and growth of Emerging Leaders;
- To develop, implement and evaluate, on an ongoing basis, capacity and opportunity building initiatives that achieve the aspirations of London's emerging leaders and the Vision and Mission of the organization,;
- To develop multi-dimensional advocacy initiatives to support the work of Emerging Leaders;
- To develop and deliver initiatives that focus on the attraction and retention of twenty-two to forty-four year olds in London.
