9. Reducing the Speed Limit at Schools

a) That the Civic Administration **BE ADVISED** that the Community Safety and Crime Prevention Advisory Committee (CSCP) requested that the following information be considered in the review of reducing the speed limit near schools:

- i) the CSCP supports the reduction of speed limits;
- ii) changing only the speed limit is not effective; you need to change the environment;
- iii) school crossing signage needs to be posted in both directions;
- iv) investigating what other countries implement for speed reduction; it being noted that in England, they build angled white picket fences that make the road appear to be narrower and that Holland has undertaken extensive research on this matter;
- v) education is a key component of any traffic calming measures;
- vi) continuation of funding for school crossing guards;
- vii) incorporating raised features or similar techniques to force speed reduction;
- viii) use of radar signs in a continual rotation;
- ix) use of enforcement blitzes; and,
- x) effective ad creative traffic calming, enforcement and education; and,

b) that the CSCP Chair **BE DIRECTED** to be a delegation, on behalf of CSCP, when the matter is brought forward to a Standing Committee;

it being noted that the Community Safety and Crime Prevention Advisory Committee reviewed and received a communication dated March 25, 2015, from S. Maguire, Division Manager, Roadway Lighting & Traffic Concerns, with respect to this matter.
