- Fare
- Insurance

Financial Services Commission of Ontario

Ride-Sharing

Ride-sharing services use an online app to connect passengers with drivers using their personal vehicles. **Sounds simple, right?** But the services may significantly impact your insurance coverage.

Ride-Sharing Drivers & Passengers:

The standard Ontario Automobile Policy **excludes coverage** when the automobile is used to carry paying passengers or used as a taxi.

MUNICIPAL PURPOSE

- Health and safety
- Consumer protection
- Quality of service
- Efficient and available service to the travelling public
