Re: Urban Growth Boundary

Dear Chair and Members City of London Planning and Environment Committee,

We are the owners of approximately 10 acres of land at 1530 Westdel Bourne. Currently, the urban growth boundary abuts our property. We are respectfully requesting the urban growth boundary be moved to include our property. Similar to the development occurring immediately around us, we are prepared to begin residential development on our land.

Thank you for your consideration.

Regards,

Fred and Ellen Desando
