JAN 15 / 2012

Dear Mr. Henderson,

I would like to submit  
my property at 1570 Wesdel Bourne to  
be considered in the expansion of the  
urban growth boundary by the planning  
committee. This five acre lot is too small  
to farm and as infill development moves  
south on this road, it may be worth including  
in the new boundary.

Sincerely,

Steve Plunkett
