Civic Works Committee

Dear Colleagues,

It has been brought to my attention, from residents in the area of Pondmills Rd and Bradley Rd, that it is difficult and unsafe for pedestrians to walk to Whiteoaks Mall, and other areas of access along Bradley Rd from Pondmills Rd.

There is a significant stretch of the Bradley Road which has no sidewalk. This is on both the north and south side of the road, from Pond Mills Rd to Millbank Dr.

As indicated in the 3rd report of the Transportation Advisory Committee (dated May 5th), with respect to the Warranted Sidewalk Evaluation and Funding Program, section a) suggests that an additional evaluation criteria 'roads that contain bus stops' be added; it being noted that there is a bus stop on the north west corner of the indicated intersection.

I respectfully request that Civic Administration assess this portion of Bradley Road and refer it to the warranted sidewalk program if findings are in compliance with the policy criteria.

Thank you for your consideration.
