Dear Property Owner:

RE: St. George–Grosvenor Heritage Conservation District Study

Under the direction of Municipal Council, the City of London is undertaking a study to determine whether the St. George-Grosvenor area merits designation as a Heritage Conservation District under the *Ontario Heritage Act*. For a map of the study area please see the reverse of this letter.

One of the important tasks is to evaluate the study area using the criteria established in the City's Official Plan and also in the Provincial Guidelines. The potential boundary for the Heritage Conservation District will also be evaluated.

Area property owners and residents are encouraged to attend to learn more about the Heritage Conservation District Study process and to share information.

We hope that you will be able to attend this first meeting. Please note that there will also be future community information meetings as this study continues. If you are unable to attend this meeting but wish to provide comments or to receive information please email Kyle Gonyou, kgonyou@london.ca or telephone 519-661-4980 or visit our website <http://www.london.ca/About-London/heritage/Pages/StGeorge-Grosvenor.aspx>
