

DRAFT FEEDBACK FORM FOR EEPAC MEMBERS (for use later in the first year)

You are always given an opportunity to contribute to discussions. If not, what are barriers to participation?
I understand how EEPAC's comments and recommendations are dealt with once they leave EEPAC. If not, what would help?
What aspect of EEPAC is the most rewarding for you?
What would get you to volunteer to participate in working group reviews?
Do you have a better understanding of EEPAC because of the orientation sessions?
What would be helpful follow up to the orientation sessions?
What would you suggest adding to the orientation? Deleting?
