Committee Secretary

300 Dufferin Avenue
London ON N6A 4L9

Dear Ms. Lysynski,

This letter serves as my formal request that serious consideration be given to the implementation of a Pedestrian Cross Walk at the intersection of Richmond Street and Piccadilly Street. Such intersection is located just outside of my restaurant. Daily, I see people forcing their way through the hectic traffic on Richmond Street to cross from one side to the other. It is important to note that within this city block, the only formal crosswalks are located at the intersection of Oxford Street and Richmond Street, the other being at the intersection of Richmond Street and Pall Mall Street. In an effort to save time and avoid being inconvenienced, people cross unsafely posing a severe safety risk to themselves and fellow commuters.

It is in this regard that I request you give consideration to such request. Out of my most genuine care and concern for my customers and fellow citizens, I feel the implementation of a formal Pedestrian Cross Walk is critical. Let's not wait for an accident to happen.

Ms. Lysynski, I welcome the opportunity to work with you in creating a safer city for all.

Thanking you in advance for your time and consideration. I look forward to hearing from you in the near future to discuss.

Cordially,

Felipe Gomes
