Dear Planner,

With Ref. to 1949 Fanshawe Park Road West Tax Roll # 090460087000000

Please note that I came to visit Andrew in 1108 Suit in the RBC building down town and I would like to formally appeal against the change in category of my land and the section marked Significant Woodland Boundary. I believe this to be incorrect and I am already farming a significant portion of the area shown in RED.

The only area that could be considered is marked FOD.

I bought this piece of land in 2001 with the intention of living on it and then later creating an affordable a residential village for senior citizens. I still hope one day to reach my goal in the mean time I had to consider farming on it although originally it was used as a dumping ground for many years prior to my acquisition.

Sincerely yours,

BSD
