**Re: LONDON AREA PLANNING CONSULTANTS - LAPC , Request to appear as a delegation before the PEC on June 24, 2015.**

---

**Dear Chair Paul Hubert and Members of the Planning and Environment Committee:**

As President of LPAC, this is a request to appear as a delegation at the public meeting of June 24, 2015 at 4 p.m. We would like to present the organizations perspective on the London Plan 2 at this point in time, and knowing we have more time before the fall to offer further comments. The outline of our presentation is as follows:

1. "LAPC" – who is it and what is its purpose.
2. LAPC role in the preparation of the London Plan
3. Favourable perspectives
4. Constructively critical perspectives

Thank you.

Yours very truly
