Subject: Affordable Housing Reserve Fund

As one of your constituents, I would like to urge you to maintain the \$2M City investment in affordable housing. Because of that fund, the City has been able to leverage \$64M in federal/provincial funding and \$74M in private sector and not-for-profit equity and mortgages, not to mention the jobs it has created. Slashing it in half would be a terrible mistake and make it very difficult for us to achieve our housing targets.
