**Re: Zoning application 505 Talbot Street London ON**

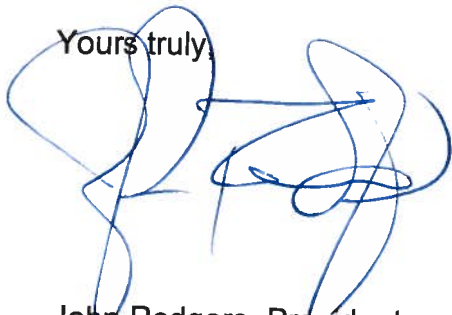

Dear Sir,

Rygar Properties Inc. is the owner of several properties on the south side of Dufferin Street and the west side of Talbot Street. Specifically 93/95 Dufferin Street, 501 Talbot Street, 479-489 Talbot Street, and 475 Talbot Street.

We have reviewed the development plan for the proposed building at the north west corner of Talbot and Dufferin Streets.

We support this development and believe it will be a significant improvement to the neighbourhood and downtown London.

Yours truly,

John Rodgers, President  
Rygar Corporation Inc.
