

TO:	CHAIR AND MEMBERS CIVIC WORKS COMMITTEE MEETING ON AUGUST 24, 2015
FROM:	JOHN BRAAM, P. ENG. MANAGING DIRECTOR, ENVIRONMENTAL & ENGINEERING SERVICES AND CITY ENGINEER
SUBJECT	AMENDMENTS TO THE TRAFFIC AND PARKING BY-LAW TO ADDRESS SAFETY ISSUES DURING THE WESTERN FAIR

RECOMMENDATION

That on the recommendation of the Managing Director, Environmental & Engineering Services and City Engineer, the attached proposed by-laws (Appendix A & B) **BE INTRODUCED** at the Municipal Council meeting to be held on September 1, 2015 for the purpose of amending the Traffic and Parking By-law (P.S. 111) to address safety concerns during the Western Fair.

BACKGROUND

Every year, the City Police provide a list of streets where temporary 'no parking' is required to address safety issues in the vicinity of the Western Fair. In the past the City has placed portable 'No Parking Anytime' signage along these streets during the time of the Fair. It has been difficult to obtain compliance with these portable signs and enforcement of signs is not possible as they can be moved easily from their original placement location.

DISCUSSION

The following table summarizes the parking changes requested by City Police during the Western Fair:

<u>Location</u>	<u>Limits</u>	<u>Existing</u>	<u>Proposed</u>
West side of Woodman Avenue	between Dundas Street and Lorne Avenue	No restrictions	No Parking Anytime
West side of Charlotte Street	between Dundas Street and Lorne Avenue	No restrictions	
South side of York Street	between Egerton Street and Kellogg Lane	2hr limit 8am to 6pm	
South side of King Street	between Egerton Street and Kellogg Lane	2hr limit 8am to 6pm	
South side of Frances Street	between Egerton Street and Ethel Street	1hr limit 8am to 6pm	

Schedule 2 (No Parking) and Schedule 6 (Limited Parking) of the Traffic & Parking By-law must be amended as authorized by the proposed By-law in Appendix A and

permanent 'No Parking' signs need to be erected for the duration of the Western Fair. After the Fair, the permanent signs can be taken down and the previous on-street parking regulations (Schedule 2 and Schedule 6 amendments) are re-instated as authorized by the proposed By-law in Appendix B.

SUMMARY

Permanent 'No Parking' signs are required in order to provide enforcement and to obtain compliance during the Western Fair. In order to accomplish this, the Traffic & Parking By-law should be amended (Appendix A) with an effective date of September 4, 2015. These signs will be removed following the Western Fair and the Traffic & Parking By-law amended (Appendix B) with an effective date of September 14, 2015, to remove the restrictions introduced in Appendix A.
