Best June EVER

With 1,109 home sales, June 2015 breaks the record for the best June in the history of the London and St. Thomas Association of REALTORS®. "For the second best June on record, you'd have to go all the way back to June 2006 when there were 1,011 sales," says Carl Vandergoot, LSTAR President. He adds, "We could tell that June was going to be a banner month, but we didn't expect it to be quite this robust." 892 detached homes sold in June, up 11.5%, while 217 condos exchanged hands, up 19.9%. Total sales for the month were up 13% over June 2014. "Job growth, stable mortgage rates and affordable home prices have all played a part in making this market so strong," says Vandergoot.

Listings were up 6.8% overall, while inventory – active listings end of period – were down 5.5%. "In other words, things are moving," says Vandergoot. "That means that now is a great time for Buyers and Sellers to get into the market – when it is both balanced and dynamic."

The market in London's Sister City of St. Thomas had the best June since 2009, with 85 sales. The average price of a home in St. Thomas Year-to-Date stands at \$217,537, up 8.8%.
