Chair and Members of the Civic Works Committee

Re: Left-turn ban onto Farnham Road from Southdale Road West.

In conjunction with the approval of the Westmount Traffic Calming Class Environmental Assessment (approximately 20 years ago) a left-turn ban onto Farnham Road from Southdale Road West was approved which area residents have expressed frustration with. This sign was installed as part of a traffic calming measure to curb vehicles from utilizing Farnham Rd to Viscount Rd as a shortcut to Wonderland Rd.

I respectfully request that staff report back with respect to the current necessity of the left-turn restriction and due process to facilitate the removal of the sign should it be deemed unwarranted.

Respectfully submitted,

Virginia Ridley
Councillor Ward 10
