

Committee: **Outstanding London Ambassador Award Committee**

Organization/Sector represented: **N/A**

Name: **Michael Barrett**

Address:

22 Piction Street, Apt 701, London, Ontario

Occupation: **Project Manager (Architect)**

Work experience: **As an Architect It is my goal to create spaces and built environments that attract and invoke emotional responses.**

Education: **I have had the opportunity to study architecture and receive a Bachelor of Science and a Masters degree in Architecture. During my career I was also successful in obtaining and maintaining in good standing my Architectural licence.**

Skills: **With almost twenty years as a Project Manager / Architect, I've accumulated a vast array of skills and abilities that would be helpful to this body. Some of these skills include diligent management and administrative abilities, my creative problem solving abilities, and the ability to lead a team of professionals as well as being an integral part of it.**

Interest reason: **I've always been interested in giving back to the community. I now find myself in a situation that I can contribute to the City and this body.**

Contributions: **I feel that my background as a Project Manager / Architect in the built environment will be a valuable asset to this body as indicated in this application. But I also feel that I can equally learn from the other Committee members.**

Past contributions: **During my career I've had the opportunity to participate in office design critiques. During these critiques my fellow contributors and I provided our collaborative insights to assist in their evaluation.**

Interpersonal: **With almost twenty years as a Project Manager / Architect, I've had the opportunity to collaborate with Clients and other design professionals alike in order to achieve a single goal. It was my responsibility to amalgamate the needs and experiences of these different stake holders to generate one positive outcome.**

Interview interest: **Yes**
