J. Stanford
Director, Environment, Fleet and Solid Waste

M. Brown
Mayor

I hereby certify that the Municipal Council, at its meeting held on November 24, 2015 resolved:

2. That the following actions be taken with respect to the 8th Report of the Advisory Committee on the Environment from its meeting held on November 4, 2015:

- a) the following actions be taken with respect to the Waste Management Sub-Committee Report:
 - i) the Civic Administration BE REQUESTED to consider offsetting the additional waste to the landfill by introducing a new waste diversion projects such as a Green Bin program, community and backyard composting and a food scraps by-law; it being noted that the Advisory Committee on the Environment was informed by Staff that a Green Bin program could add one year to the life of W12A landfill;
 - ii) the Civic Administration BE REQUESTED to consider taking advantage of a portion of the waste revenue received from new customers, to develop an additional waste diversion system such as the Green Bin program for London residents; and,
 - iii) it BE NOTED that the Waste Management Sub-committee minutes from its October 2015 meeting, were received;
- b) the Municipal Council BE ADVISED that the Advisory Committee on the Environment supports and commends the initiative of joining the Compact of Mayors, a global initiative for cities to undertake a transparent and supportive approach to reduce city-level emissions, to reduce vulnerability and to enhance resilience to climate change; and,
- c) clauses 1 to 4, 6, 7 and 9 to 14, BE RECEIVED. (2/25/PEC)

C. Saunders
City Clerk
