

Hello Jackie,

I would like to let you know I am planning to forgo my seat on CAC to someone else that's interested in TAC. I have a busy schedule and I want to make sure that I can contribute fully as a member of the committee to fulfil its goals and desires. I will let TAC know and I will have someone to replace me by our next meeting which is in February.

Thanks for all your hard work and help.

Sincerely,
Amir Farahi
