

Advisory Committee Work Plan – 2016

Legend
 J. Walter 
 B. Rankin 

Date, November 2015

Activity	Background	Responsibility	Timeline	Strategic Plan Alignment
Public Consultation	<ul style="list-style-type: none"> • Hold public meetings in various communities to hear the public's • Connect with existing community groups and meeting ie: Neighbourhood Assoc.'s, BIA's, Home & School Council's, Youth groups etc. to have conversations with residents about their concerns with respect to safety and crime prevention • Collate conversation responses to determine themes • Make recommendations based on findings • Request Ensure multi language that interpreters can be provided at the community meetings • Survey Community and Neighbourhood associations to find out what types of safety initiatives may be in place, what's working well and what could be replicated (ie: Neighbourhood Safety Plans, Survey Tools already in place, completed Safety Audit results) • Hold a forum for Neighbourhood and Community Association Leaders to share their experiences with Community Safety Initiatives and replicate successes • Request that interpreters be provided at the community meetings 		Over one year	Strengthening Our Community
Active & Safe Routes to School	<ul style="list-style-type: none"> • Conduct parent and youth surveys relating to identifying barriers to active and safe routes to school will be completed • Results will be provided to this Committee to review and make recommendations • Parent and youth surveys relating to barriers to active and safe routes to school are completed and will be provided to the Committee to review and make recommendations 		January to March	Strengthening Our Community
Work collaboratively with existing initiatives	<ul style="list-style-type: none"> • Identify current local initiatives that align with this committee and determine synergies for working together ie: • London Strengthening Neighbourhoods – Neighbourgoodlondon.ca 		Over one year	Strengthening Our Community

	<p>(Safety Audits), Block Parent, Neighbourhood Watch London, Children's Safety Village, Active and Safe Routes to School, City of London Neighbourhood Children and Fire Services, etc.</p> <ul style="list-style-type: none"> Block Parent, Neighbourhood Watch London, Children's Safety Village, Active and Safe Routes to School, City of London Neighbourhood Children and Fire Services, etc. 			
Further enhance walking routes	<ul style="list-style-type: none"> Through the use of safety audits, Active and Safe Routes to School and speed limits in school zones <p>I'm not sure what work we are doing here? Wouldn't this be covered about in Active & Safe Routes?</p>			
Increased Accessibility	<ul style="list-style-type: none"> Request that safety information and tools are provided in other languages for the more vulnerable in our community; it being noted that the City of London website will be multi-lingual in 2017 Request that safety information and tools are provided in other languages for the more vulnerable in our community; it being noted that the City of London website will be multi-lingual in 2017 			Leading in Public Service
Booster Seats/Child Restraints	<ul style="list-style-type: none"> Request the Ministry of Transportation ask automobile manufacturers to ensure booster seats and child restraints can be accommodated as economics should not supersede safety; safety should supersede economics https://www.healthunit.com/booster-seats <p>I can't remember the details of our conversation but I am not sure this identifies what we will actually be doing? Were we thinking advocating for lower cost of seats / restraints?</p>			
Bicycle Safety	<ul style="list-style-type: none"> Advocate and educate Send letters businesses that sell bicycles to ensure that all bicycles are sold with lights, a bell and reflective tape; noting that these are all legally required to ride a bicycle Look at best practices to get this information into the hands of the people that need it Work collaboratively with the Cycling Advisory Committee on this initiative 			Strengthening Our Community

Community Outreach	<ul style="list-style-type: none"> • Work with Ask-Bell Media/CTV London to profile Community Safety and Crime Prevention Issues which may include: the London Fire Department, the London Police Department, Neighbourhood Watch London and London Block Parent, Middlesex-London Health Unit and Other Neighbourhood and Community Safety Initiatives once a week on their initiatives and activities to increase public awareness 			Strengthening Our Community
Mental Health	<ul style="list-style-type: none"> • Ask London Police Service for the status of mental health initiatives • Ask a representative of the Southwest LHIN for an update on mental health initiatives that impact public safety <p>Not sure what we are doing with this item – we need to relate it to safety. What information are we looking for and what are we going to do with it?</p>
