Subject: Agricultural Advisory Committee - Kris Dinel

Good morning – please be advised that due to a change in my role with the Western Fair Association, I regret to inform you that I am resigning from the Agricultural Advisory Committee. The Western Fair Association has a strong Agricultural focus and mandate and I feel a member of our Association would be a benefit to this committee. I would like to recommend Cheron Chamberlain our Agriculture Manager.

Betty, I know Cheron reached out to you so please let me know if there is anything else you require from me at this point.

Thank you
