Subject: Springbank Dam Meeting

Hi Jackie,

Nick Steinberg asked me to get in touch with you about speaking at the meeting on March 8 about the Springbank Dam. I would like to address the Committee. I have put a few points together, and reckon it will take about 3 minutes. If you want, I can send you a copy of the points I would like to make.

I also gave Nick permission to include my original letter in the materials for the Committee. I have been thinking a lot about it, and have additional points to make.

Thank you, & I look forward to hearing from you.
