Subject: Request for delegation - CWC March 8th re: Springbank dam

To Committee Secretary Jackie Martin and Committee Support Clerk Lauren Kucera,

I would like to request, on behalf of Elizabeth Hendriks, Vice President of Freshwater at WWF-Canada, the opportunity to provide delegation to the Civic Works Committee (CWC) in relation to Springbank Dam on March 8th.

WWF-Canada has a long history of ensuring the protection and conservation of the freshwater in Canada, including the Thames River and the Northern Lake Erie Watershed. Our organization will highlight how decommissioning the dam will continue to bring benefits to the environmental health of the river as well as the well-being of the communities and wildlife that depend on the Thames.

Elizabeth Hendriks will provide delegation at the committee meeting and is copied on this email. Her contact details are:

t: 416-489-4567 ext. 7354
WWF-Canada
245 Eglinton Ave. East
Toronto, ON M4P 3J1

You may contact me directly with scheduling details if WWF-Canada is selected to provide delegation to the CWC.

Thank you for your time,

Rebecca
