

Committee: **Greater London International Airport Authority**

Organization/Sector represented: **City of London**

Name: **Wayne Dunn**

Address:

**78 Chestnut Court  
London, Ont  
N6K4J5**

Occupation: **Business Owner**

Work experience: **Co-owner of Crane Dunn Holdings Inc. Co-owner of County Heritage Forest Products Ltd. 1982-2015 managing complete operation including sales, HR,AR,AP, purchasing, marketing, finance and charitable that includes 65 employees.**

Education: **BA in Economics from Western University 1980.**

Skills: **I have over 35 years working with people and organizations of all types of industry and community, have worked and been on several Boards, over 25 years experience working with various levels of government. I believe I know the community...both business and non profit.**

Interest reason: **I have always had an interest with the activities of the GLIAA, it would be somewhat a different challenge than what I have been used to. I am interested in participating with the growth of the airport and am confident I could help in that process.**

Contributions: **I believe I can help assist through levels of government and would be able to promote the GLIAA with the many relationships I have been able to develop within the City and surrounding area. My experience and expertise in sales, marketing, human resources and governance would be an asset.**

Past contributions: **Have co-chaired or chaired several organizations including the annual Business Cares Food Drive, Chamber of Commerce, Sunshine Golf Classic. I have been active on various other Boards including Western Senate, St Joseph's Foundation, Junior Achievement and the London Hunt Club. Inducted as a Laureate into Business Hall of Fame.**

Interpersonal: **The experience of chairing several committees, being president of the LCC or LHC and more importantly participating as a committee member prior to leadership positions have enabled me to learn that listening skills are often more important than speaking. I respect and have acquired skills to know that it is the voice of many that makes an organization succeed.**

Interview interest: **Yes**
