Occupation: **Customer Sales Agent**

Work experience: **Jazz (formerly Air Ontario) 1988 to present Executive Aviation (Seasonal Charters)**

Education: **Holyrood Secondary School Glasgow Scotland Montcalm High School London Ontario Fanshawe College London Ontario**

Skills: **The skills, abilities, and specialized knowledge that I possess to assist this body is numerous years of experience in the aviation industry.**

Interest reason: **I am interested in serving the City of London on this body because I have lived in London since 1973, and I would appreciate having the chance to explain to other residence of London why and how this body operates when asked certain questions.**

Contributions: **The contribution I believe I could make to this body is my experience working with the general public and their actual experience flying in and out of London and their concerns that they address to me on a daily basis.**

Past contributions: **I have had the experience of sitting on numerous committees within the airline industry, ie Air Ontario Pension Committee, United Way. I have not contributed to a specific body or organization, causing me to be interested in this specific body.**

Interpersonal: **My experience would be having the respect for others. The airline industry is extremely volatile, causing all of us to accept changes and being open minded to everyone's views. Given the opportunity to serve on this body would allow me to learn why certain decisions are made and allow me to contribute my input to certain business decisions based on my experience working with an airline daily.**
