

Committee: **Greater London International Airport Authority Board of Directors**

Organization/Sector represented:

Name: **Nolan R. Kiely**

Address:

**22 Connaught Ave.
London Ontario
N5Y 3A3**

Occupation: **Travel Solutions Specialist**

Work experience: **I have 4+ years experience in the aviation industry. In almost every capacity of operation, flight training, Corporate Aviation and the airlines. I have worked for Peninsulair in Hamilton, Empire Aviation/Maylan Flight Training in London, Flightpath Charter Airways at Waterloo Regional, Flightexec in Toronto Buttonville, as well as Exeaire and Sunwing Airlines in Toronto Pearson. Most often as a member of the operations team or Flight Operations Manager. But occasionally as an account manager.**

Education: **University of Western Ontario, Bachelor of Managerial and Organizational Studies. Honours Specialization in Commercial Aviation Management. Commercial Pilots Licence.**

Skills: **I can share my experience in various levels of the air transportation industry to improve our cities airport.**

Interest reason: **I learned about the industry and to fly at this airport. Since I married a Londoner, I have made this city my home. I have a vested interest in helping this airport grow and thrive.**

Contributions: **I can educate the board in the finer operational details of commercial entities that will be using the airport. This will help the board to make more informed decisions regarding proposals by the Management of the Airport.**

Past contributions: **None this will be my first.**

Interpersonal: **A great deal within my various positions. I learned these social skills at an early adolescent age in the Royal Canadian Air Cadets.**

Interview interest: **Yes**
