Work experience: **Project Mgr. Ellis Don Ltd. Construction Co-coordinator Labatt
Breweries of Canada Ltd. Project Mgr. Design Build Division Ellis Don Ltd. President L.
B. Parsons Construction Ltd.**

Education: **Architectural, Mechanical, Structural and Engineering Drafting. Gold Seal
Certification (gsc) in both Project Management and Estimating for General Contracting.
Membership in Both Canadian and Ontario Institute of Quantity Surveyors (CEC)
Construction Estimator Certified**

Skills: **My abilities include dealing with and recording of meetings related the many facets
of specialized projects and the implementation and overseeing the administration of those
projects to completion. The emphasis on completing the projects and fulfilling the needs of
all parties involved.**

Interest reason: **I am a native Londoner that has always considered that our city was one of
the places that one could live. It has some of the best educational and medical institutions in
the country and the City generally is a desirable place to live.**

Contributions: **I believe I can bring my experience in dealing with the needs of serving new
industry and implementing the physical requirements that are a requirement of both
growth and the changing needs of our ever changing City.**

Past contributions: **I do not have experience on the side of the utility as such but do have
experience obtaining the services on behalf of various clients that I have worked with in the
past. Essentially I know what they expect and need to obtain from the Utility.**

Interpersonal: **As a Project Manager I have had the opportunity to work with many
institutions, industries and private individuals with a wide variety of disciplines and
educational levels and without co-operation and respect for the needs of all parties
concerned one cannot expect to be successful in meeting the the needs of the client.**

Interview interest: **Yes**
