Subject: LMHC Board.

Cathy I find that I must resign from London Middlesex Housing Corporation Board. I have Tried to believe in the actions of the Board and many of my views were understood accepted. I now find that it is time for me step off the board. Thank you for opportunity serve on this Board, I have learned a lot of things about the community they serve and the community at large.

April 28, 2016
Sincerely
Robert Sexsmith
