Subject: Hearing fro 142 Kent Street

Hi Betty:

I have an Application under the Heritage Designation to have the designation removed. The hearing is set for Wednesday June 8, 2016 at 5:30.

I am asking for a postponement for one month to allow the Applicant Mariana Schiller and myself to attend the hearing as neither of us are available June 8, 2016 due to prior commitments that can not be changed.

Respectfully yours

John Horn - solicitor
