Dear Sirs/Madams:

Re: The London Plan
Rygar Properties Inc.

I am the solicitor for the Rygar Properties Inc. and John Rodgers.

My clients are of the opinion that the proposed London Plan does too little to encourage downtown intensification and redevelopment. They want to see policies that are clear and objective so they know where they stand. The current policies are too subjective.

For these reasons, it is respectfully requested that the London Plan not be adopted at this time. Instead, it should be sent back to staff for further review and revision, with these objectives in mind.

Yours very truly,

Barry R. Card
