RE: Sifton Properties Limited - West 5, Third Edition of London Plan

Dear Sirs/Madams,

We have reviewed the latest version of The London Plan and have noted that a number of policies adopted by Council on December 8, 2015 (OPA 632) for Sifton's proposed West 5 development have not been incorporated into the final version of the London Plan. As these were approved in December 2015, we anticipated that they would be included in the final version. We are requesting that this be referred back to Staff to incorporate the relevant specific area policies for these lands and that Map 7 also identify these lands. These policies relate to Sifton's plan for its most innovative community and it is essential that they be included in the London Plan.

Thank you for your consideration of this matter.

Yours truly,

SIFTON PROPERTIES LIMITED
