

Hi Jackie,

I have decided to return to the classroom in September, so my role as Equity and Inclusive Learning Coordinator with the Thames Valley District School Board will end in June. They have hired Charlene Camillo, to take my place as EIE Learning Coordinator, so she will take over in September.

Is there a process I need to follow to resign from the committee or transfer membership to Charlene. If you could let me know, that would be helpful.
Thanks,

Jessica
